Express yourself

It's more than just a set of wheels. It's an expression of freedom and individuality.

Choose Progressive, and you choose the #1 insurer of motorcycles in America. You get a policy customized to your needs, expert claims service, and unbeatable value.

Customize that policy

A Progressive policy gets you the basics every biker needs, like Bodily Injury and Property Damage Liability, Comprehensive and Collision, Uninsured/Underinsured Motorist, and Medical Payments. Your independent agent can help you figure out the limits and deductibles that fit your budget.

Then, for added protection, consider customizing with:

- **Additional Accessory coverage.** Cover up to \$30,000 worth of custom parts and equipment.
- **Disappearing Deductibles.** Lower your Comprehensive and Collision deductible by 25 percent for each claim-free policy period.
- **Roadside Assistance.** Get help on the spot, or a tow to the nearest qualified repair shop, at no out-of-pocket cost. It's all for just \$10 a year.
- **Transport Trailer coverage.** Get up to \$10,000 worth of Physical Damage coverage for your trailer.
- **Trip Interruption coverage.** Break down more than 100 miles from home, and get up to \$500 for lodging, transportation and food while your bike's in the shop.

Save while you ride

See how affordable a Progressive policy is. Be sure to ask about discounts for bundling with a Progressive Auto or Progressive Home Advantage policy, owning multiple bikes, paying in full, and more.

Get back in the saddle fast when you have a claim

Many of our claims specialists are also bikers. Their passion and know-how will get your bike fixed right and get you back on the road fast.
