No Problem Pay

Auto-Owners No Problem Pay program is designed to make your Workers Compensation premiums accurate, predictable and convenient. This efficient process allows you to make payments that correspond directly to your payroll as they are needed, so you are never overpaying or underpaying.

The process will allow you to manage your cash flow more effectively, while at the same time keep your business budget in line.

This is ideal for businesses who have fluctuating payrolls and staffing, because your premiums are based on your actual reported payrolls.
