

CONTRACT BONDS

YOU WORK HARD.

So we made contract bonds *easy* for you.

Nationwide® Surety & Fidelity, a well-respected and financially secure surety that my agency uses, has made big changes to their contract bond services. In fact, now has never been a better time to get pre-qualified as our goal is to offer complete *On Your Side*® service.

Because we specialize in writing contractor insurance, we now offer **Nationwide Surety Starter**™, an easy-issue contract bond program designed specifically to meet the small bond needs of qualified contractors new to surety bonds. Program highlights include:

- **Easy, one-page application process provides for quick underwriting decisions**
- **\$250,000 single/aggregate job limit**
- **Limited information requirements**

Looking for higher limits and a more competitive rate? Be sure to ask about our standard contract bond program. Program highlights include:

- **Unique underwriting approach emphasizing personal and business assets**
- **Acceptance of alternative forms of financial statements, such as in-house prepared financial statements or income tax returns, when applicable**
- **Regional focus with local market understanding**

We want to do everything we can to ensure you have the bond capacity to keep pace with your business needs. When your next job requires you to be bonded, you can count on us to provide the surety solutions that are right for you. ***Call me today!***
