THE SILVER LINING[®]

One policy, one premium, one bill, one deductible

Home and Highway from West Bend Mutual Insurance Company is one policy that protects your home, personal possessions, autos, boats, motorcycles, and more. Other optional coverages are available and can be tailored to fit your needs. All of this on one policy gives you the convenience of paying only one annual premium.

Broad Protection

Home and Highway offers protection not found on most other policies, including:

- Guaranteed replacement cost coverage for your home
- Blanket coverage for detached structures, personal property, and loss of use
- \$5,000 coverage for theft or mysterious disappearance of jewelry
- \$250 coverage for the contents of your freezer for a loss caused by power loss to your home
- Home lock replacement or rekeying if the keys to your home are stolen in a covered theft loss
- Pet Aid provides up to \$500 per animal and \$1,500 per loss for sudden and accidental injury or death to your owned dog or cat caused by covered perils
- Environmental, Safety, and Efficiency Improvements provides up to \$5,000 in additional coverage to replace damaged or destroyed covered property with property that is better for the environment, safer, or more efficient than the property being replaced
- Medical expenses up to \$1,000 if you're injured as the result of an assault or robbery
- \$30 per day up to a maximum limit of \$900 for car rental if your car is damaged by a covered loss
- \$1,000 coverage for theft or unauthorized use of credit cards and bank cards

- \$1,000 coverage for damage to property you borrowed from others
- Personal Injury Coverage
- \$1,000 (*all risk*) coverage for owned recreational vehicles
- If you're a homeowner with a covered property loss greater than \$50,000, we'll waive your deductible, subject to certain conditions. The deductible waiver does not apply to condominium owners or renters.

Umbrella Coverage

For a modest additional premium, you can also add \$1 million or more in coverage for liability lawsuits that exceed your Home and Highway's basic limits. Umbrella coverage provides you with a larger layer of liability protection for claims or legal actions such as personal injury and host liquor liability.
