At West Bend Insurance Company, we're always looking for ways to help our policyholders. That's why we offer TravelNet, our exclusive 24-hour emergency roadside service, as an optional coverage feature.

If you ever need emergency roadside assistance, just call our toll-free number and a qualified service provider will respond to your needs – any time of the day or night – anywhere in the United States and Canada.

TravelNet takes the worry out of driving so you get peace of mind. And isn't that what you've come to expect from West Bend?

An extensive network of qualified service professionals

When you call TravelNet's toll-free number, we immediately contact a qualified professional from our extensive network of service providers. Because the TravelNet network covers the U.S. and Canada, roadside response is estimated to be 30 minutes or less for 75% of all calls.

Just "sign and drive"

When your TravelNet service professional arrives, you'll be asked to show your TravelNet identification card. As long as you've purchased TravelNet for the vehicle and the services provided are covered and within your TravelNet limit, you won't need cash or credit cards.

How to use TravelNet 24-hour emergency roadside network

TravelNet covers services for towing, flat tires, gasoline delivery, battery jumpstarts, lockouts, and other minor repairs at the site of disablement. The amount of coverage depends on the limit of coverage you select.

To access TravelNet:

1. Call TravelNet's Customer Service Center toll-free at 1-877-922-5246. You'll need your West Bend identification card which contains your policy number.
2. Provide the TravelNet representative with the exact location of your vehicle.
3. An authorized service provider will immediately be dispatched to your vehicle.
4. When service has been completed, just "sign and drive." There's no need for cash or credit cards as long as the cost of the service is within your TravelNet coverage limit.
